

Case Study

RebarCAD
World Class Rebar Software

G+3 and G+5, Residential Project

Manturam is the 1st organised Real Estate Consultancy firm of Kolkata was founded in 1962 by Late Manuram Prahladka (1931-1997), who learned the need of the people for environment friendly homes. MANTURAM, with dynamic personalities visionary outlook and strenuous & conscientious efforts, contributed immensely to promote some unique and renowned addresses of Kolkata, to name a few as Chatterjee International Centre, Electronics Centre, Sagar Estate, Abhisarika, Shyam Kunj ect. Our unparalleded efforts gave us the recognition as the real trailblazer in the Real Estate history of Kolkata since early 1970's and soon MANTURAM become a brand name in the reality sector in Kolkata.

Since then MANTURAM has been continuously active as consultants, marketing agents, promoters & developers, in and around Kolkata, contributing in a modest way towards socio-economic regeneration of West Bengal.

Contribution of RebarCAD software:

In the words of Ankit Prahladka, "We have used your esteemed software RebarCAD for Floor Slab Bar Cutting & Bending schedule and we have seen that the overall efficiency is 99.5%, that is tmt bars wastage tends to nil and rod binding work is done with perfection. We have also saved time as earlier we use to do manual calculation. In our upcoming project we have started using RebarCAD from Pile to Slab to Reduce of Steel Scrap and Efficiency of Labour to work first because of proper BBS schedule."

About Projects:

Manturam Construct G+3 & G+5 residential in Kolkata, SaltLake & New Town, it takes around 10-12 month time to complete a project, many IT/ITES & commercial projects are in the pipeline.
